1 further project in scope had no filing captured during July 2026, so it is not described here. It remains on the register. 1 record counted on the cover is the same filing captured more than once - a bilingual minute, or a document captured page by page - and is shown once above.

Upcoming hearings and deadlines

Decision dates ahead, from the captured records.

No record in this scope carries a future decision date. Hearing dates are not currently extracted from agenda records, so this reflects our capture rather than the absence of scheduled hearings.

Watch list

Projects being watched in this scope, and what they did in the period.

No projects in this scope are on the watch list.

Coverage note

The limits of this document.

[ASSESSMENT] Coverage is limited to Clark County. Projects outside it exist in our register and are not reported here.

[ASSESSMENT] The period is July 2026. Activity outside it is not included even where it concerns the same project.

[ASSESSMENT] Dormant projects are excluded from this report.

[ASSESSMENT] This document describes the 15 most significant projects in scope. Every project in scope is described.

[ASSESSMENT] Records are captured from published sources. A matter that has not been published, or that is published somewhere we do not yet capture, will not appear.
