

Referral brief

Prepared for Simtec Attractions

MATTER	Heart Hotel / Kulik River
GEOGRAPHY	Clark County
PERIOD	Every record held, 2025-10-07 to 2026-08-03
PIPELINE	hospitality
FILTERS	dormant excluded context records included this brief is restricted to one matter; the client scope (5 stages and 12 venue types) is what made it eligible and did not narrow this document further
BASIS	1 project, 37 records

Provenance legend. This report separates three kinds of statement so the reader can weigh each. [RECORD] marks facts drawn from the government filings we captured, each with the link to the filing itself. [PRESS] marks facts reported in the press or otherwise beyond our filing record. [ASSESSMENT] marks our own read, offered as judgment rather than as fact.

About this brief

One matter, the record behind it, and the limits of that record.

[ASSESSMENT] This is a referral brief on Heart Hotel / Kulik River in Clark County. It is about that one matter and is written to be forwarded to someone who will act on it, so it is not scoped to a period: it sets out everything we hold. That is 19 captured filings and 16 press reports, dated between 2025-10-07 and 2026-08-03. The filings are what we can show you and each carries the link to the document itself. The press is reported elsewhere, attributed to its publisher, and is not our record. Any judgement in this brief is Philip's, is labelled as his, and appears only under a heading that says so.

The project

Heart Hotel / Kulik River. Clark County | permitted.

[RECORD] Tentative map consisting of 1 commercial lot on 11.95 acres in a CR (Commercial Resort) Zone within the Airport Environs (AE-60) Overlay.
quoted from the filing

Records show 19 filings and 16 press reports between 2025-10-07 and 2026-08-03.

Our filing record for this project is 19 captured filings dated between 2025-10-07 and 2026-07-21. The 16 press reports dated between 2026-04-29 and 2026-08-03 listed here are beyond that record and are attributed to their publisher. Where the two differ, the filings are what we can show.

Of the 37 records captured for this project, 35 are printed above; the other 2 are the same filing captured more than once - a bilingual minute, or a document captured page by page - and are shown once.

What the record does not say: no party carries a phone number or an email address and 1 of the 35 captured items carries no date.

Where this stands

[RECORD] HELD: 07/22/26. That date has passed. We have captured no filing on this matter since, though a press report dated 2026-08-03 is later than it.
Clark County Planning/Zoning Minutes, 21 July 2026

Record provenance (our captured filings)

[RECORD] 2025-10-07 WS-24-0366. Waiver of development standards to exceed the maximum permissible sound levels in conjunction with an existing recreational facility, fairground, and music venue. 18.51 acres. Players: MSG Las Vegas, LLC (applicant).
Clark County Planning/Zoning Minutes, 7 October 2025

Conditions of approval

215 conditions across 15 concurrent matters. Each set binds its own application.

TM-26-500056 (2026-07-21): 14 conditions

- [RECORD] 1. Applicant is advised within 4 years from the approval date a final map for all, or a portion, of the property included in this application must be recorded or it will expire; an application for an extension of time may only be submitted if a portion of the property included under this application has been recorded; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if there has been no substantial work towards completion; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
[Clark County Planning/Zoning Minutes, 21 July 2026](#)
- [RECORD] 2. Drainage study and compliance;
- [RECORD] 3. Traffic study and compliance;
- [RECORD] 4. Full off-site improvements;
- [RECORD] 5. Right-of-way dedication per Las Vegas South Survey RS-25-500117;
- [RECORD] 6. If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a combination right-turn lane and bus turn-out on Mandalay Bay Road with a 5 foot by 50 foot bus shelter pad behind the sidewalk accordance with RTC standards;
- [RECORD] 7. Las Vegas South Survey must be recorded by the applicant prior to the issuance of building permits;
- [RECORD] 8. Applicant to coordinate with Public Works - Development Review for all driveways on Las Vegas Boulevard;
- [RECORD] 9. Execute a License and Maintenance Agreement for any non-standard improvements within the right-of-way.
- [RECORD] 10. Street suffixes shall be spelt out;
- [RECORD] 11. Directional prefixes shall not be shown on the map.
- [RECORD] 12. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 13. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 14. Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0186-2026 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

VS-26-0218 (2026-07-21): 9 conditions

- [RECORD] 1. Satisfy utility companies' requirements.
[Clark County Planning/Zoning Minutes, 21 July 2026](#)
- [RECORD] 2. Applicant is advised within 4 years from the approval date the order of vacation must be recorded in the Office of the County Recorder or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 3. Drainage study and compliance;
- [RECORD] 4. Right-of-way dedication per Las Vegas South Survey RS-25-500117;
- [RECORD] 5. Vacation to be recordable prior to building permit issuance or applicable map submittal;
- [RECORD] 6. Revise legal description, if necessary, prior to recording.
- [RECORD] 7. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 8. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 9. Applicant is advised that CCWRD has existing or proposed assets within the area proposed to be vacated per VS-26-0218; CCWRD has no objection to the request for vacation as presented; however, CCWRD requests all existing rights granted to us within the easements/right-of-way are reserved; it is understood that this vacation shall not reduce our rights to operate and maintain our facilities; CCWRD also requests that drivable access be able to handle H-20 loading and is maintained by fee owner; no building, structures, fences or trees shall be placed upon, over or under said parcel(s) of land to be vacated, now or hereafter.

UC-26-0219 (2026-07-21): 28 conditions

- [RECORD] 1. Prior to the issuance of building permits, or subdivision mapping, mitigate the impacts of the project including, but not limited to, issues identified by the technical reports and studies, and issues identified by the Board of County Commissioners or commit to mitigating the impacts of the project by entering into a Development Agreement with Clark County;
[Clark County Planning/Zoning Minutes, 21 July 2026](#)
- [RECORD] 2. Allow the following permits prior to the adoption of the Development Agreement: all grading, including excavation and underground utilities, construction below grade level, and structural first lift with initial foundation work;
- [RECORD] 3. Prior to the issuance of building and grading permits, enter into a Performance Agreement with Clark County which includes a Decommissioning Plan specifying the actions to be taken by the Developer or County in the event construction of the project is stopped or abandoned;
- [RECORD] 4. Bond or other form of financial security, acceptable to Clark County, shall be provided with the Performance Agreement as security of the full and complete fulfillment of the decommissioning actions identified in the Decommissioning Plan;
- [RECORD] 5. Certificate of Occupancy and/or business license shall not be issued without approval of a Certificate of Compliance, and payment of the tree fee-in-lieu is required for any required trees waived.
- [RECORD] 6. Applicant is advised within 4 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; that this application is contingent upon obtaining a license from the State of Nevada and Clark County Business License Department; failure to abide by and faithfully comply with the conditions of approval, Clark County Code, and the provisions of the Nevada Revised Statutes or Nevada Administrative Code may result in revocation of this application; approval of this application does not constitute or imply approval of any other County issued permit, license or approval; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 7. Drainage study and compliance;
- [RECORD] 8. Traffic study and compliance;
- [RECORD] 9. Full off-site improvements;
- [RECORD] 10. Right-of-way dedication per Las Vegas South Survey RS-25-500117;
- [RECORD] 11. If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a combination right-turn lane and bus turn-out on Mandalay Bay Road with a 5 foot by 50 foot bus shelter pad behind the sidewalk accordance with RTC standards;
- [RECORD] 12. Las Vegas South Survey must be recorded by the applicant prior to the issuance of building permits;
- [RECORD] 13. Applicant to coordinate with Public Works - Development Review for all driveways on Las Vegas Boulevard;
- [RECORD] 14. Execute a License and Maintenance Agreement for any non-standard improvements within the right-of-way.
- [RECORD] 15. Applicant is required to file a valid FAA Form 7460-1, "Notice of Proposed Construction or Alteration" with the FAA, in accordance with 14 CFR Part 77, or submit to the Director of Aviation a "Property Owner's Shielding Determination Statement" and request written concurrence from the Department of Aviation;
- [RECORD] 16. If applicant does not obtain written concurrence to a "Property Owner's Shielding Determination Statement," then applicant must also receive either a Permit from the Director of Aviation or a Variance from the Airport Hazard Areas Board of Adjustment (AHABA) prior to construction as required by Section 30.02.26B of the Clark County Unified Development Code. Applicant is advised that many factors may be considered before the issuance of a permit or variance, including, but not limited to, lighting, glare, graphics, etc.;
- [RECORD] 17. No building permits should be issued until applicant provides evidence that a "Determination of No Hazard to Air Navigation" has been issued by the FAA or a "Property Owner's Shielding Determination Statement" has been issued by the Department of Aviation. The Determination of No Hazard must not be expired;
- [RECORD] 18. All cranes and temporary equipment will require separate FAA airspace determinations that provide "Determinations of No Hazard to Air Navigation" and a finding of no significant impact on aircraft activity at Harry Reid International Airport. A Crane/Temporary Equipment plan that includes the separate FAA airspace determinations must be submitted and approved by the DOA (airspace@lasairport.com) prior to the issuance of building permits;

- [RECORD] 19. Applicant must submit a plan to the DOA (airspace@lasairport.com) for review and approval addressing lighting, solar panels, illuminated signage, and reflective surfaces with potential to impact aviation safety. The plan must include a reflectivity (glare) analysis demonstrating that no significant impact on aircraft activity will occur at the Harry Reid International Airport (Airport). All exterior lighting must be dimmable or otherwise adjustable, with the capability to implement modifications if requested by the DOA or the airlines. Building permits shall not be issued until the DOA Airspace Manager has approved the plan, which may include additional conditions necessary to mitigate glare or reflection hazards to aviation;
- [RECORD] 20. The east side of the building shall not include open-air balconies;
- [RECORD] 21. Eastward facing windows must include glass break detectors which integrate into the access control and alarm monitoring system, which is continuously monitored by the security control room;
- [RECORD] 22. Applicant must design their improvements in a manner that accommodates installation of a new security grate at the southern limits of their parking garage improvements. Installation of the grate shall be by the development. The security grate must match the existing grate (south of Mandalay Bay Rd.) in terms of material, configuration, maximum vertical / horizontal opening size, and gauge thickness. The Tropicana Wash underneath the parking structure must be designed in a manner that prevents unauthorized access into the airfield;
- [RECORD] 23. Applicant must submit a construction plan to the DOA (landuse@lasairport.com) and receive approval of said plan before issuance of building permits. The construction plan must describe how the Tropicana Wash will be temporarily secured during construction of the parking garage to prevent unauthorized access into the secure airfield of the Airport.
- [RECORD] 24. Applicant is advised that the FAA's determination is advisory in nature and does not guarantee that a Director's Permit or an AHABA Variance will be approved; that FAA's airspace determinations (the outcome of filing the FAA Form 7460-1) are dependent on petitions by any interested party and the height that will not present a hazard as determined by the FAA may change based on these comments; and that the FAA's airspace determinations include expiration dates.
- [RECORD] 25. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 26. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 27. Applicant is advised to contact the SNHD Environmental Health Division, Public Accommodations Plan Review Program at pa@snhd.org or (702) 759-1633 to obtain approval for the construction or remodeling of a public accommodation facility; and to submit construction plans with all schedules to pa@snhd.org at least 30 days prior to beginning construction.
- [RECORD] 28. Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0186-2026 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

- [RECORD] 5. Certificate of Occupancy and/or business license shall not be issued without approval of a Certificate of Compliance, and payment of the tree fee-in-lieu is required for any required trees waived.

- [RECORD] 6. Applicant is advised within 4 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; that this application is contingent upon obtaining a license from the State of Nevada and Clark County Business License Department; failure to abide by and faithfully comply with the conditions of approval, Clark County Code, and the provisions of the Nevada Revised Statutes or Nevada Administrative Code may result in revocation of this application; approval of this application does not constitute or imply approval of any other County issued permit, license or approval; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 7. Drainage study and compliance;
- [RECORD] 8. Traffic study and compliance;
- [RECORD] 9. Full off-site improvements;
- [RECORD] 10. Right-of-way dedication per Las Vegas South Survey RS-25-500117;
- [RECORD] 11. If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a combination right-turn lane and bus turn-out on Mandalay Bay Road with a 5 foot by 50 foot bus shelter pad behind the sidewalk accordance with RTC standards;
- [RECORD] 12. Las Vegas South Survey must be recorded by the applicant prior to the issuance of building permits;
- [RECORD] 13. Applicant to coordinate with Public Works - Development Review for all driveways on Las Vegas Boulevard;
- [RECORD] 14. Execute a License and Maintenance Agreement for any non-standard improvements within the right-of-way.
- [RECORD] 15. Applicant is required to file a valid FAA Form 7460-1, "Notice of Proposed Construction or Alteration" with the FAA, in accordance with 14 CFR Part 77, or submit to the Director of Aviation a "Property Owner's Shielding Determination Statement" and request written concurrence from the Department of Aviation;
- [RECORD] 16. If applicant does not obtain written concurrence to a "Property Owner's Shielding Determination Statement," then applicant must also receive either a Permit from the Director of Aviation or a Variance from the Airport Hazard Areas Board of Adjustment (AHABA) prior to construction as required by Section 30.02.26B of the Clark County Unified Development Code. Applicant is advised that many factors may be considered before the issuance of a permit or variance, including, but not limited to, lighting, glare, graphics, etc.;
- [RECORD] 17. No building permits should be issued until applicant provides evidence that a "Determination of No Hazard to Air Navigation" has been issued by the FAA or a "Property Owner's Shielding Determination Statement" has been issued by the Department of Aviation. The Determination of No Hazard must not be expired;
- [RECORD] 18. All cranes and temporary equipment will require separate FAA airspace determinations that provide "Determinations of No Hazard to Air Navigation" and a finding of no significant impact on aircraft activity at Harry Reid International Airport. A Crane/Temporary Equipment plan that includes the separate FAA airspace determinations must be submitted and approved by the DOA (airspace@lasairport.com) prior to the issuance of building permits;
- [RECORD] 19. Applicant must submit a plan to the DOA (airspace@lasairport.com) for review and approval addressing lighting, solar panels, illuminated signage, and reflective surfaces with potential to impact aviation safety. The plan must include a reflectivity (glare) analysis demonstrating that no significant impact on aircraft activity will occur at the Harry Reid International Airport (Airport). All exterior lighting must be dimmable or otherwise adjustable, with the capability to implement modifications if requested by the DOA or the airlines. Building permits shall not be issued until the DOA Airspace Manager has approved the plan, which may include additional conditions necessary to mitigate glare or reflection hazards to aviation;
- [RECORD] 20. The east side of the building shall not include open-air balconies;
- [RECORD] 21. Eastward facing windows must include glass break detectors which integrate into the access control and alarm monitoring system, which is continuously monitored by the security control room;
- [RECORD] 22. Applicant must design their improvements in a manner that accommodates installation of a new security gate at the southern limits of their parking garage improvements. Installation of the gate shall be by the development. The security gate must match the existing gate (south of Mandalay Bay Rd.) in terms of material, configuration, maximum vertical / horizontal opening size, and gauge thickness. The Tropicana Wash underneath the parking structure must be designed in a manner that prevents unauthorized access into the airfield;

- [RECORD] 23. Applicant must submit a construction plan to the DOA (landuse@lasairport.com) and receive approval of said plan before issuance of building permits. The construction plan must describe how the Tropicana Wash will be temporarily secured during construction of the parking garage to prevent unauthorized access into the secure airfield of the Airport.
- [RECORD] 24. Applicant is advised that the FAA's determination is advisory in nature and does not guarantee that a Director's Permit or an AHABA Variance will be approved; that FAA's airspace determinations (the outcome of filing the FAA Form 7460-1) are dependent on petitions by any interested party and the height that will not present a hazard as determined by the FAA may change based on these comments; and that the FAA's airspace determinations include expiration dates.
- [RECORD] 25. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 26. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 27. Applicant is advised to contact the SNHD Environmental Health Division, Public Accommodations Plan Review Program at pa@snhd.org or (702) 759-1633 to obtain approval for the construction or remodeling of a public accommodation facility; and to submit construction plans with all schedules to pa@snhd.org at least 30 days prior to beginning construction.
- [RECORD] 28. Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0186-2026 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

TM-26-500056 (2026-06-16): 14 conditions

- [RECORD] 1. Applicant is advised within 4 years from the approval date a final map for all, or a portion, of the property included in this application must be recorded or it will expire; an application for an extension of time may only be submitted if a portion of the property included under this application has been recorded; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if there has been no substantial work towards completion; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
[Clark County Planning/Zoning Minutes, 16 June 2026](#)
- [RECORD] 2. Drainage study and compliance;
- [RECORD] 3. Traffic study and compliance;
- [RECORD] 4. Full off-site improvements;
- [RECORD] 5. Right-of-way dedication per Las Vegas South Survey RS-25-500117;
- [RECORD] 6. If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a combination right-turn lane and bus turn-out on Mandalay Bay Road with a 5 foot by 50 foot bus shelter pad behind the sidewalk accordance with RTC standards;
- [RECORD] 7. Las Vegas South Survey must be recorded by the applicant prior to the issuance of building permits;
- [RECORD] 8. Applicant to coordinate with Public Works - Development Review for all driveways on Las Vegas Boulevard;
- [RECORD] 9. Execute a License and Maintenance Agreement for any non-standard improvements within the right-of-way.
- [RECORD] 10. Street suffixes shall be spelt out;
- [RECORD] 11. Directional prefixes shall not be shown on the map.
- [RECORD] 12. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 13. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 14. Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0186-2026 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

VS-26-0218 (2026-06-16): 9 conditions

- [RECORD] 1. Satisfy utility companies' requirements.
[Clark County Planning/Zoning Minutes, 16 June 2026](#)

- [RECORD] 2. Applicant is advised within 4 years from the approval date the order of vacation must be recorded in the Office of the County Recorder or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 3. Drainage study and compliance;
- [RECORD] 4. Right-of-way dedication per Las Vegas South Survey RS-25-500117;
- [RECORD] 5. Vacation to be recordable prior to building permit issuance or applicable map submittal;
- [RECORD] 6. Revise legal description, if necessary, prior to recording.
- [RECORD] 7. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 8. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 9. Applicant is advised that CCWRD has existing or proposed assets within the area proposed to be vacated per VS-26-0218; CCWRD has no objection to the request for vacation as presented; however, CCWRD requests all existing rights granted to us within the easements/right-of-way are reserved; it is understood that this vacation shall not reduce our rights to operate and maintain our facilities; CCWRD also requests that drivable access be able to handle H-20 loading and is maintained by fee owner; no building, structures, fences or trees shall be placed upon, over or under said parcel(s) of land to be vacated, now or hereafter.

UC-22-0556 (2026-05-19): 28 conditions

- [RECORD] 1. Tree fee-in-lieu for waived parking lot trees is required to be paid within 180 days.
[Clark County Planning/Zoning Minutes, 19 May 2026](#)
- [RECORD] 2. Compliance with previous conditions. Listed below are the approved conditions for UC-22-0556: Current Planning
- [RECORD] 3. Expunge UC-19-0667;
- [RECORD] 4. 2 years to review the waivers of development standards for all on-site landscaping (not including street landscaping);
- [RECORD] 5. 4 years to review the waiver of development standards for street landscaping including the detached sidewalks;
- [RECORD] 6. Residents of the abutting residential development and the County staff to be notified a minimum of 30 days prior to each outdoor special event planned providing details of the proposed event activities and timeline, excluding the Formula 1 race;
- [RECORD] 7. A temporary commercial permit must be submitted and approved for every outdoor special event, excluding the Formula 1 race;
- [RECORD] 8. Generally, the operating hours for all outdoor events, excluding the Formula 1 race, will end at midnight, Sunday through Thursday. Outdoor events that include hours of operation ending after midnight Sunday through Thursday, will be requested through the temporary commercial permit application;
- [RECORD] 9. Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.
- [RECORD] 10. Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; approval of this application does not constitute or imply approval of a liquor or gaming license or any other County issued permit, license or approval; the installation and use of cooling systems that consumptively use water will be prohibited; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that this application must commence within 2 years of approval date or it will expire.
- [RECORD] 11. Drainage study and compliance;
- [RECORD] 12. Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- [RECORD] 13. Traffic study and compliance;
- [RECORD] 14. Right-of-way dedication to include 10 feet for Harmon Avenue and 10 feet for Koval Lane;

- [RECORD] 15. Applicant/owner to either construct full off-site improvements on Harmon Avenue and Koval Lane within 4 years or, within 30 days of the County's opening bid for the Harmon Avenue and Koval Lane improvement projects, pay a contribution for local roadway, drainage, or trail-related improvements in lieu of constructing full off-site improvements on Harmon Avenue and Koval Lane as determined by Public Works;
- [RECORD] 16. The installation of full off-site improvements on Rochelle Avenue is deferred for up to 4 years, or sooner if Clark County has an improvement project;
- [RECORD] 17. Execute a License and Maintenance Agreement for any non-standard improvements within the right-of-way;
- [RECORD] 18. Execute a Restrictive Covenant Agreement (deed restrictions) for Rochelle Avenue;
- [RECORD] 19. Within 30 days of the BCC approval of the Howard Hughes Parkway alignment, dedicate right-of-way for said alignment, which will not require any portion of APN 162-21-601- 007;
- [RECORD] 20. Within 30 days of the BCC approval of the Howard Hughes Parkway alignment, provide such additional dedication of portions of APNs 162-21-510-038 through 162-21-510-040 and 162-21-613-001 through 162-21-613-011 to accommodate additional property needed based on solutions developed by Clark County for the Howard Hughes Parkway Alignment, other than on APN 162-21-601-007;
- [RECORD] 21. Within 6 months of the BCC approval of the Howard Hughes Parkway, all public and private improvements on and adjacent to APNs 162-21-510-038 through 040 and 162-21- 613-001 through 011 shall be removed by the applicant/owner;
- [RECORD] 22. 30 days to coordinate with Public Works - Design Division for the Howard Hughes Parkway, Harmon Avenue, and Koval Lane improvement projects;
- [RECORD] 23. Vacate any unnecessary rights-of-way and/or easements determined by Public Works.
- [RECORD] 24. Applicant is advised that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.
- [RECORD] 25. Applicant is required to file a valid FAA Form 7460-1, "Notice of Proposed Construction or Alteration" with the FAA, in accordance with 14 CFR Part 77, or submit to the Director of Aviation a "Property Owner's Shielding Determination Statement" and request written concurrence from the Department of Aviation;
- [RECORD] 26. If applicant does not obtain written concurrence to a "Property Owner's Shielding Determination Statement," then applicant must also receive either a Permit from the Director of Aviation or a Variance from the Airport Hazard Areas Board of Adjustment (AHABA) prior to construction as required by Section 30.48 Part B of the Clark County Unified Development Code; Applicant is advised that many factors may be considered before the issuance of a permit or variance, including, but not limited to, lighting, glare, graphics, etc.;
- [RECORD] 27. No building permits should be issued until applicant provides evidence that a "Determination of No Hazard to Air Navigation" has been issued by the FAA or a "Property Owner's Shielding Determination Statement" has been issued by the Department of Aviation.
- [RECORD] 28. Applicant is advised that the FAA's determination is advisory in nature and does not guarantee that a Director's Permit or an AHABA Variance will be approved; that FAA's airspace determinations (the outcome of filing the FAA Form 7460-1) are dependent on petitions by any interested party and the height that will not present a hazard as determined by the FAA may change based on these comments; that the FAA's airspace determinations include expiration dates; and that separate airspace determinations will be needed for construction cranes or other temporary equipment. Applicant's Justification Since the original approval, the County has identified several roadway improvements for the area. Of note in the CCPW Design Projects list from March 4, 2026: 1) Koval Lane Widening, Harmon Avenue to Sands Avenue. this project is in the design Phase at 60% complete design (Project Numbers: S160824, S160121); and 2) Harmon Avenue, Audrie St to La Mar Circle, this project is in the design phase at 90% complete design (Project Number: S003203). At this time and due to ongoing improvement projects on the adjacent roadways, the applicant requests additional time be provided for this review.

ET-26-400018 (2026-04-21): 12 conditions

- [RECORD] 1. Applicant is advised that a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that a final map for all, or a portion, of the property included under this application must be recorded within 4 years or it will expire.
[Clark County Planning/Zoning Minutes, 21 April 2026](#)
- [RECORD] 2. Until June 19, 2021 for the applicant to obtain off-site permits as required by ZC-19- 0343;
- [RECORD] 3. Drainage study and compliance;

- [RECORD] 4. Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- [RECORD] 5. Traffic study and compliance;
- [RECORD] 6. Full off-site improvements;
- [RECORD] 7. Right-of-way dedication to include 25 feet to 50 feet to the back of curb for Maule Avenue, 25 feet to the back of curb for Butler Street, 25 feet to 50 feet to the back of curb for Gagnier Boulevard, 35 feet to the back of curb for Badura Avenue, and associated spandrels, and, if necessary, additional right-of-way for Roy Horn Way to accommodate 44 feet of right-of-way from the back of curb to the concrete barrier;
- [RECORD] 8. If required by the Regional Transportation Commission, provide a bus turnout on the east side of Durango Drive north of and as close as practical to Maule Avenue and include provisions for a 5 foot by 50 foot bus shelter pad easement behind the sidewalk.
- [RECORD] 9. Applicant is advised that compliance with the Uniform Standard Drawings is required; that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals; and that the installation of detached sidewalks will require the dedication of right-of-way to the back of curb or the vacation of excess right-of-way and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control or execute a License and Maintenance Agreement for non-standard improvements in the right-of-way. Current Planning Division - Addressing
- [RECORD] 10. Residential unit numbers shall be assigned by Addressing Services.
- [RECORD] 11. Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office is strongly encouraged; that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998; and that funds will not be available in the future should the residents wish to have their buildings purchased or soundproofed.
- [RECORD] 12. Applicant is advised that the CCWRD is unable to verify sewer capacity based on this zoning application; you may find instruction for submitting a Point of Connection (POC) request on the CCWRD website; and that a CCWRD approved POC must be included when submitting civil improvement plans. Applicant's Justification The applicant states the original approval was for four years and by recording subsequent final maps the tentative map was extended until June 29, 2026. The development is more than 50% completed and this application is required to allow additional maps to record.

WC-25-400143 (2026-03-03): 8 conditions

- [RECORD] 1. Satisfy utility companies' requirements.
[Clark County Planning/Zoning Minutes, 3 March 2026](#)
- [RECORD] 2. Applicant is advised within 2 years from the approval date the order of vacation must be recorded in the Office of the County Recorder or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 3. The installation of detached sidewalks will require the recordation of this vacation of excess right-of-way and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control devices;
- [RECORD] 4. Applicant to coordinate with Public Works - Traffic Division for a pedestrian crossing on Convention Center Drive;
- [RECORD] 5. Vacation to be recordable prior to building permit issuance or applicable map submittal;
- [RECORD] 6. Revise legal description, if necessary, prior to recording.
- [RECORD] 7. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.

[RECORD] 8. Applicant is advised that fire/emergency access must comply with the Fire Code as amended. Applicant's Justification The applicant indicates that the previously approved development consists of 2 phases and that the vacation and abandonment is to allow for the construction of detached sidewalks. Phase 1 is located on the western portion of the site and includes the shopping center and associated parking garage. Phase 2 is located on the eastern portion of the site and includes the hotel and associated parking garage. The proposed waiver of conditions is requested to facilitate the immediate permit issuance for Phase 1 (the shopping center) and will allow for the vacation and abandonment to record after the permits are issued for Phase 1.

WS-25-0901 (2026-03-03): 5 conditions

- [RECORD] 1. Applicant is advised within 2 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
[Clark County Planning/Zoning Minutes, 3 March 2026](#)
- [RECORD] 2. Drainage study and compliance;
- [RECORD] 3. Full off-site improvements shall be required with future development as determined by Public Works - Development Review.
- [RECORD] 4. Applicant is advised that fire/emergency access must comply with the Fire Code as amended; and that fire protection may be required for this facility and to contact Fire Prevention for further information at (702) 455-7316.
- [RECORD] 5. Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0341-2026 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

WC-25-400142 (2026-03-03): 19 conditions

- [RECORD] 1. Expunge UC-23-0552;
[Clark County Planning/Zoning Minutes, 3 March 2026](#)
- [RECORD] 2. Prior to the issuance of building and grading permits, or subdivision mapping, mitigate the impacts of the project including, but not limited to, issues identified by the technical reports and studies, and issues identified by the Board of County Commissioners or commit to mitigating the impacts of the project by entering into a Development Agreement with Clark County;
- [RECORD] 3. Prior to the issuance of building and grading permits, enter into a Performance Agreement with Clark County which includes a Decommissioning Plan specifying the actions to be taken by the Developer or County in the event construction of the project is stopped or abandoned;
- [RECORD] 4. Bond or other form of financial security, acceptable to Clark County shall be provided with the Performance Agreement as security of the full and complete fulfillment of the decommissioning actions identified in the Decommissioning Plan prior to the approval of the grading permit;
- [RECORD] 5. Certificate of Occupancy and/or business license shall not be issued without approval of a Certificate of Compliance.
- [RECORD] 6. Applicant is advised within 2 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 7. Drainage study and compliance;
- [RECORD] 8. Traffic study and compliance;
- [RECORD] 9. The installation of detached sidewalks will require the vacation of excess right-of-way and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control devices;
- [RECORD] 10. Applicant to coordinate with Public Works - Traffic Division for a pedestrian crossing on Convention Center Drive.
- [RECORD] 11. Applicant is advised that off-site improvement permits may be required.

- [RECORD] 12. Applicant is required to file a valid FAA Form 7460-1, "Notice of Proposed Construction or Alteration" with the FAA, in accordance with 14 CFR Part 77, or submit to the Director of Aviation a "Property Owner's Shielding Determination Statement" and request written concurrence from the Department of Aviation;
- [RECORD] 13. If applicant does not obtain written concurrence to a "Property Owner's Shielding Determination Statement," then applicant must also receive either a Permit from the Director of Aviation or a Variance from the Airport Hazard Areas Board of Adjustment (AHABA) prior to construction as required by Section 30.02.26B of the Clark County Unified Development Code; applicant is advised that many factors may be considered before the issuance of a permit or variance, including, but not limited to, lighting, glare, graphics, etc.;
- [RECORD] 14. No building permits should be issued until applicant provides evidence that a "Determination of No Hazard to Air Navigation" has been issued by the FAA or a "Property Owner's Shielding Determination Statement" has been issued by the Department of Aviation;
- [RECORD] 15. Due to the FAA's Determination of Hazard for any heights exceeding the points specified within the ASN's, all cranes and temporary equipment will require separate FAA airspace determinations that provide "Determinations of No Hazard to Air Navigation." A Crane/Temporary Equipment Plan that includes the separate FAA airspace determinations must be submitted and approved by the Department of Aviation before any building permits are issued.
- [RECORD] 16. Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office at landuse@lasairport.com is strongly encouraged; that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998; and that funds will not be available in the future should the residents wish to have their buildings purchased or soundproofed; the FAA's determination is advisory in nature and does not guarantee that a Director's Permit or an AHABA Variance will be approved; that FAA's airspace determinations (the outcome of filing the FAA Form 7460-1) are dependent on petitions by any interested party and the height that will not present a hazard as determined by the FAA may change based on these comments; and that the FAA's airspace determinations include expiration dates and that separate airspace determinations will be needed for construction cranes or other temporary equipment.
- [RECORD] 17. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 18. Applicant is advised that fire/emergency access must comply with the Fire Code as amended.
- [RECORD] 19. Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0040-2021 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis. Applicant's Justification The applicant indicates that the previously approved development consists of 2 phases. Phase 1 is located on the western portion of the site and includes the shopping center and associated parking garage. Phase 2 is located on the eastern portion of the site and includes the hotel and associated parking garage and the convention center. The proposed waivers of conditions are requested to facilitate the immediate mapping and permit issuance for Phase 1 (the shopping center), which is the smaller and shorter portion of the overall project.

this matter (2026-01-05): 2 conditions

- [RECORD] 1. Applicant is advised within 2 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
[Clark County Planning/Zoning Minutes, 5 January 2026](#)
- [RECORD] 2. Applicant is advised that the property is already connected to the CCWRD sewer system; and that if any existing plumbing fixtures are modified in the future, then additional capacity and connection fees will need to be addressed.

WS-25-0754 (2025-12-16): 2 conditions

[RECORD] 1. Applicant is advised within 2 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.

[Clark County Planning/Zoning Minutes, 16 December 2025](#)

[RECORD] 2. Applicant is advised that signs are not permitted within the right-of-way.

UC-22-0081 (2025-11-04): 30 conditions

[RECORD] 1. 1 year to review as a public hearing;
[Clark County Planning/Zoning Minutes, 4 November 2025](#)

[RECORD] 2. 2 years to review as a public hearing.

[RECORD] 3. Applicant is advised a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.

[RECORD] 4. Compliance with previous conditions.

[RECORD] 5. Applicant is advised that CCWRD does not provide sanitary sewer service in this portion of the unincorporated County; and to inquire with the City of Las Vegas to see if the City has any gravity sanitary sewer lines located in the vicinity of the applicant's parcel. Listed below are the conditions for AR-23-400093 (UC-22-0081):

[RECORD] 6. Until April 20, 2024 to review as public hearing.

[RECORD] 7. Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

[RECORD] 8. Applicant is advised that CCWRD does not provide sanitary sewer service in this portion of the unincorporated County; and to inquire with the City of Las Vegas to see if the City has any gravity sanitary sewer lines located in the vicinity of the applicant's parcel. Listed below are the conditions for UC-22-0081: Current Planning

[RECORD] 9. Design review as a public hearing for any significant changes to the plans;

[RECORD] 10. Major training facility limited to the instruction of agricultural, recreational, and health related uses and activities;

[RECORD] 11. Hours of operation limited to daytime hours except until 11:00 p.m. on Friday and Saturday;

[RECORD] 12. Limited to 2,500 maximum attendees;

[RECORD] 13. Monthly calendar of events to be submitted to Commissioner's office with a copy to Comprehensive Planning;

[RECORD] 14. Prior to first event, sound and lighting plan prepared by a qualified professional must be submitted to Commissioner's office with a copy to Comprehensive Planning that includes any proposed video screens;

[RECORD] 15. Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.

[RECORD] 16. Applicant is advised that the installation and use of cooling systems that consumptively use water will be prohibited; the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that this application must commence within 2 years of approval date or it will expire.

[RECORD] 17. "No Parking" signs to be installed along Elkhorn Road;

[RECORD] 18. If required, execute a License and Maintenance Agreement for non-standard improvements in the right-of-way;

[RECORD] 19. Coordinate with Public Works - Development Review and Commissioner Kirkpatrick's office for the design of any non-standard improvements in the right-of-way;

[RECORD] 20. Drainage study and compliance;

- [RECORD] 21. Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- [RECORD] 22. Traffic study and compliance;
- [RECORD] 23. Execute a Restrictive Covenant Agreement (deed restrictions);
- [RECORD] 24. Coordinate with Public Works - Design Division for the Elkhorn Road improvement project;
- [RECORD] 25. Dedicate any right-of-way and easements necessary for the Elkhorn Road improvement project;
- [RECORD] 26. 30 days to submit a Separate Document to the Map Team for the required right-of-way dedications and any corresponding easements for any the Elkhorn Road improvement project;
- [RECORD] 27. 90 days to record required right-of-way dedications and any corresponding easements for the Elkhorn Road improvement project.
- [RECORD] 28. Applicant is advised that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.
- [RECORD] 29. Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- [RECORD] 30. Applicant is advised to submit plans for review and approval prior to installing any gates, speed humps (speed bumps not allowed), and any other fire apparatus access roadway obstructions. Applicant's Justification The applicant states that the facility is licensed and that a technical drainage study is currently under review. A traffic study has also been approved. The other buildings on-site have not commenced and are considered to be part of Phase 2 of this construction. The required sound and lighting that is mitigated for wildlife and neighbor purposes was completed with the first review. There have been no complaints regarding the sound and lighting and the noise mitigation was completed with the first review. The gate entrance on Elkhorn Road was finished and operational before the first review. The applicant is seeking a review of conditions to show that they are still in compliance as mentioned above.

WS-24-0366 (2025-10-07): 7 conditions

- [RECORD] 1. 1 year to review;
[Clark County Planning/Zoning Minutes, 7 October 2025](#)
- [RECORD] 2. Allowance for greater noise will be limited to no more than 12 days a year;
- [RECORD] 3. Increase in noise level on those dates will be limited to a frequency no greater than 85 decibels, measured at the Sphere's property line;
- [RECORD] 4. Park Towers and Meridian management will be notified no less than 14 days prior to each waiver event;
- [RECORD] 5. Increase in noise shall be permitted to occur only between 9:00 a.m. and 11:30 p.m. on waiver days, except New Year's Eve which will be 1:00 a.m.
- [RECORD] 6. Applicant is advised within 2 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.
- [RECORD] 7. Remove boulders in right-of-way on Sands Avenue. Applicant's Justification The Board of County Commissioners (BCC) previously approved WS-24-0366, which allowed for increased noise levels for outdoor events. The approval limited the increase to no more than 12 days a year, no greater frequency than 85 decibels measured at the Sphere's property line, notification to Park Towers and Meridian management prior to the event, limited hours, and 1 year to review. Since the approval, the Sphere has held 2 events that were notified per the approved conditions. On September 14, 2024, there was a UFC event, and on April 22, 2025, there was an XO Student Design Challenge event. The applicant has not been informed of any complaints, concerns, or impacts to nearby residents, and respectfully requests the BCC to review the application and find the Sphere to be in compliance. The applicant requests that no additional reviews be required.

- [ASSESSMENT] 1 further item we hold on this matter is published on a platform where the subject of a post writes it themselves, so it is not quoted here as coverage. 10 older reports of this matter are held back to keep this block readable; the 5 most recent are above. They are on the register and can be sent on request.

What this brief does not cover

The limits of this document, and what it held back.

- [ASSESSMENT] This brief covers one matter and is not a survey. Other projects in Clark County are on our register and are not described here.
- [ASSESSMENT] It is not scoped to a period. Everything we hold on this matter is above, whatever its date.
- [ASSESSMENT] Records are captured from published sources. A matter that has not been published, or that is published somewhere we do not yet capture, will not appear.
- [ASSESSMENT] What this brief holds back is stated with the record counts under "The project" above, and is not repeated here. Nothing else was withheld: no limit of this document dropped anything further, and the market it sits in is one we are still receiving.
