122 of 149 projects are listed individually above. 27 further projects are in scope and counted on the cover but not listed here, because this section lists at most 25 projects per market: Clark County has 44; Las Vegas has 33. Add the appendix section to list every record in scope, including theirs.

Upcoming hearings and deadlines

Decision dates ahead, from the captured records.

No record in this scope carries a future decision date. Hearing dates are not currently extracted from agenda records, so this reflects our capture rather than the absence of scheduled hearings.

Watch list

Projects being watched in this scope.

No projects in this scope are on the watch list.

Coverage note

The limits of this document.

[ASSESSMENT] Coverage is limited to all covered markets. Projects outside it exist in our register and are not reported here.

[ASSESSMENT] The period is July 2026. Activity outside it is not included even where it concerns the same project.

[ASSESSMENT] Dormant projects are excluded from this report.

[ASSESSMENT] Records are captured from published sources. A matter that has not been published, or that is published somewhere we do not yet capture, will not appear.
